

## **TODD MORIN, CFP, RRC**

### **Your Financial Coach.**

As a marathon runner and IRONMAN triathlete — Todd understands the importance of setting goals, having a plan to reach those goals, as well as having a coach to support and guide you.

The similarities between your fitness preparation and your financial planning are universal.

Set your financial goal — minimizing your taxes, buying a home, paying for an education, living well in retirement, planning your estate, or simply getting more out of life — and Todd will provide you with a personalized plan to coach you to your financial finish line.

Are you on track to achieve your retirement goals? Let Todd help by having an IG Living Plan.
